## Rescue Mission's Request... Central's Response!!!

The Rescue Mission asked us to donate 225 cans of yams for their Thanksgiving Baskets and Central heard the call by donating a total of **299** cans! We always show our love. **Always!**

## Mobile Food Pantry for December

What do we do when the truck lift breaks and you have two options...cancel the food distribution when the parking lot is full or have the volunteers unload the truck by hand? We chose to unload so we could "Build Love" in our community. Santa was so proud of us for not giving up on our monthly mission.

Thank you Jenny and your great team for their gift of love...on a cold winter's night.

## DOWNTOWN MUSKEGON COOKIE CRAWL 2025

Central participated for the first time in this yearly downtown event. We proudly opened our doors to the public offering them not only delicious cookies but a special opportunity to tour our beautiful sanctuary.

It was a special day for those who entered our historic church and rewarding for those who baked cookies and served as guides during this event.

This will probably be a yearly event now for Central! *Plan on it!*

The Cookie Crawl was a perfect way to "Build Love" in our community. Thank you to all those who helped make this event possible!

The people were blown away by the beauty of our sanctuary when they were given a guided tour. Thank you to the Mix & Match Team for making this possible.
